Self-driven and ambitious individual eager to find applicable positions as a **junior software and web developer** utilizing the following transferable qualifications and credentials.

QUALIFICATIONS SUMMARY

Software & Web Development

- Possess hands-on experience in software and web applications development, as complemented by a notable interest in technical systems installation/integration.

Development Operations (DevOps)

- Excel at DevOps coordination to ensure overall faster production delivery and higher transparency for customers.

Miscellaneous Skillsets

- Leverage additional previous experience in roles encompassing staff supervision, sales, and accounts receivable (AR).

EDUCATION

Full-Stack Web Development
Bottega University (2022 – 2023)

Computer Engineering (Pre-Grad)
Utah Valley University (2018 – 2021)

Medical Assisting
Mountainland Technical College
(MTECH – formerly MATC, 2010)

TECHNICAL PROFICIENCIES

HTML, CSS/SCSS, JavaScript, TypeScript, Python, React.js, Node.js, Flask, Express.js, MongoDB, PostgreSQL, SQL, Git/GitHub, NetSuite, MS Office Suite (Word & Excel)

KEY PROJECTS

"To-Do List" Capstone

https://devcamp-todo-list-capstone-cdb8691597bd.herokuapp.com/

Final project at Bottega University concerning the development and implementation of a multipage React application incorporating "create, read, update, delete" (CRUD) functionality (including HTML, SCSS, and JavaScript for a frontend – and a Python Flask database for a backend).

Clarifai Face Recognition App

https://clarifai-facerecognition-app.herokuapp.com/

Final project assigned by Zero to Mastery (ZTM) concerning the development and implementation of a React application incorporating HTML, CSS, and JavaScript with NPM packages for a dynamic frontend (as well as sign-in authentication via an Express.js backend and a PostgreSQL database).

ADDITIONAL EXPERIENCE

Accounts Receivable, Red Mountain Wholesale, Location (2019 – 2022)

- Created invoices in NetSuite for sales orders while also maintaining overarching accountabilities for all deliverables prior to transportation.
- Promoted from the AR department to the position of main office clerk.

Sales, Red Mountain Wholesale, Location (2015 – 2019)

- Tasked with gathering and saving products for customer-specific requests while also creating sales orders in-person and by telephone.

Supervisor, Taco Time, Location (2014 – 2015)

- Provided direct supervision for multiple employees, with additional oversight for restocking, nightly cleaning, and customer services.
